C2. Mail-service pharmacy

You can get prescription drugs shipped to your home through CVS Caremark, our network mail service delivery program. For refills of your mail service prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us at **(800) 452-4413 (TTY:711), 8 a.m. to 8 p.m., seven days a week.**

You also have the choice to sign up for automated mail service delivery through our mail service delivery program, CVS Caremark. Typically, you should expect to get your prescription drugs within 14 days from the time that the mail service pharmacy gets the order. If you do not get your prescription drug(s) within this time if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at **(800) 452-4413 (TTY:711), 8 a.m. to 8 p.m., seven days a week.** To learn more about mail service pharmacies, refer to Chapter 5 of the Evidence of Coverage, Getting your outpatient prescription drugs.

To sign up with CVS Caremark you will need to create and log in to your Blue Shield of California member account at **blueshieldca.com/login**. Once logged in, at the top of the page under myblueshield, select Benefits, and then Pharmacy to find the Mail service link. You can also call CVS Caremark at (866) 346-7200 (TTY: 711).

If you have questions, please call Blue Shield TotalDual Plan at (800) 452-4413 (TTY:711), 8 a.m. to 8 p.m., seven days a week. The call is free. **For more information**, visit **blueshieldca.com/medpharmacy2024**.

C4. Long-term care pharmacies

Residents of a long-term care facility, such as a nursing home, may access their prescription drugs covered under Blue Shield TotalDual Plan through the facility's pharmacy or another network pharmacy. To learn more about drug coverage in special cases, refer to Chapter 5 of the *Evidence of Coverage*, Getting your outpatient prescription drugs.

Blue Shield of California has a process in place to assist you in obtaining prescription drugs when you are in a long-term care (LTC) facility. If you are in an LTC facility and are prescribed a non-formulary drug, we will authorize a one-time, 31-day supply of the medication prescribed for transition purposes.

If you are on a complicated medication regimen, or a regimen where safety concerns do not permit you to be transitioned sooner, up to a 6-month transitional period will be allowed. This transition period will also be allowed for patients with multiple medications and with multiple physicians providing care. For more information, please call Customer Service at **(800) 452-4413 (TTY:711), 8 a.m. to 8 p.m., seven days a week.**
