GRIEVANCE PROCESS

Blue Shield Life has established a grievance procedure for receiving, resolving, and tracking members' grievances.

The insured, a designated representative, or a provider on behalf of the insured, may contact the customer service department by telephone, letter, or online to request a review of an initial determination concerning a claim or service. An insured may contact Blue Shield Life at 1-877-601-9083. The hearing impaired may contact customer service by calling the 1-877-735-2929. If the telephone inquiry to customer service does not resolve the question or issue to the insured's satisfaction, the insured may request a grievance at that time, which the customer service representative will initiate on the person's behalf.

Blue Shield Life will acknowledge receipt of a grievance within 5 calendar days. Grievances are resolved within 30 days. The grievance system allows insureds to file grievances within 180 days following any incident or action that is the subject of the insured's dissatisfaction.

External Independent Medical Review

If your grievance involves a claim for services for which coverage was denied by Blue Shield Life or by a contracting provider in whole or in part on the grounds that the service is not medically necessary, you may choose to make a request to the Department of Insurance to have the matter submitted to an independent agency for external review in accordance with California law. You normally must first submit a grievance to Blue Shield Life and wait for at least 30 days before you request external review; however, if your matter would qualify for an expedited decision, you may immediately request an external review following receipt of notice of denial. You may initiate this review by completing an application for external review, a copy of

which can be obtained by contacting customer service. The Department of Insurance will review the application and, if the request qualifies for external review, will select an external review agency and have your records submitted to a qualified specialist for an independent determination of whether the care is medically necessary. You may choose to submit additional records to the external review agency for review. There is no cost to you for this external review. You and your physician will receive copies of the opinions of the external review agency. The decision of the external review agency is binding on Blue Shield Life; if the external reviewer determines that the service is medically necessary, Blue Shield Life will promptly arrange for the service to be provided or the claim in dispute to be paid. This external review process is in addition to any other procedures or remedies available to you and is completely voluntary on your part; you are not obligated to request external review. For more information regarding the external review process, or to request an application form, please contact customer service.
