Work Renewals faster with bulk downloads

Starting next week with Q3 Renewals, you will be able to download small business renewal packets in bulk – up to 50 at a time – when logged into [Broker Connection](#). Select “Small Business” from the drop-down menu, and then “Renewal and post enrollment packets.” Along with renewal kits and microsites, Evidence of Coverage documents and group contracts for each group can be accessed through this tool.

The enhancements scheduled for April 11 are:

- **Multiple download functionality:** Conveniently download multiple health documents – up to 50 at a time – as a zip file.
- **Searchability:** Filter your search by month, group, or document type (e.g. Renewal, EOC, etc.).
- **Easy document identification:** A new column in the results table identifies document type and plan name.
- **Integration:** Directly link to each of your group’s Renewal microsites and/or Health Plan Document Center by using the “view online” button.
- Additional plan documents (SBCs, SOBs, EOCs) which are not group-specific can be found here: [Small business plan documents](#).

Small Group Online Renewal (SGOR) will include July, August and September groups starting April 11. Reference this [training guide](#) for support using SGOR.
