## Introduction

---

In addition to the Benefits listed in your Evidence of Coverage, your rider provides coverage for acupuncture and chiropractic services as described in this supplement. The Benefits covered under this rider must be received from an American Specialty Health Plans of California, Inc. (ASH Plans) Participating Provider. These acupuncture and chiropractic Benefits are separate from your health Plan, but the general provisions, limitations, and exclusions described in your Evidence of Coverage do apply. A referral from your Primary Care Physician is not required.

All Covered Services, except for (1) the initial examination and treatment by an ASH Participating Provider; and (2) Emergency Services, must be determined as Medically Necessary by ASH Plans.

Note: ASH Plans will respond to all requests for Medical Necessity review within five business days from receipt of the request.

Covered Services received from providers who are not ASH Participating Providers will not be covered except for Emergency Services and in certain circumstances, in counties in California in which there are no ASH Participating Providers. If ASH Plans determines Covered Services from a provider other than a Participating Provider are Medically Necessary, you will be responsible for the Participating Provider Copayment amount.
