# Summary of Benefits Tandem PPO Split Deductible 0-500 80/60

blue 🗑 of california

This Summary of Benefits shows the amount you will pay for Covered Services under this Blue Shield of California Plan. It is only a summary and it is included as part of the Evidence of Coverage (EOC).<sup>1</sup> Please read both documents carefully for details.

#### Medical Provider Network:

This Plan uses a specific network of Health Care Providers, called the Tandem PPO provider network. Providers in this network are called Participating Providers. You pay less for Covered Services when you use a Participating Provider than when you use a Non-Participating Provider. You can find Participating Providers in this network at blueshieldca.com.

#### Calendar Year Deductibles (CYD)<sup>2</sup>

A Calendar Year Deductible (CYD) is the amount a Member pays each Calendar Year before Blue Shield pays for Covered Services under the Plan. Blue Shield pays for some Covered Services before the Calendar Year Deductible is met, as noted in the Benefits chart below.

#### **Prior Authorization**

The following are some frequently-utilized Benefits that require prior authorization:

• Advanced imaging services

- Hospice program services
- Outpatient mental health services, except office visits and office-based opioid treatment
- Inpatient facility services

Please review the Evidence of Coverage for more about Benefits that require prior authorization.

#### Notes

#### 1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

<u>Capitalized terms are defined in the EOC.</u> Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

#### 2 Calendar Year Deductible (CYD):

<u>Calendar Year Deductible explained.</u> A Calendar Year Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (•) in the Benefits chart above.

<u>Covered Services not subject to the Calendar Year medical Deductible.</u> Some Covered Services received from Participating Providers are paid by Blue Shield before you meet any Calendar Year medical Deductible. These Covered Services do not have a check mark (•) next to them in the "CYD applies" column in the Benefits chart above.

This Plan has a separate Participating Provider Deductible and Non-Participating Provider Deductible.

<u>Family coverage has an individual Deductible within the Family Deductible.</u> This means that the Deductible will be met for an individual with Family coverage who meets the individual Deductible prior to the Family meeting the Family Deductible within a Calendar Year.

#### 3 Using Participating Providers:

<u>Participating Providers have a contract to provide health care services to Members.</u> When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

<u>Teladoc.</u> Teladoc mental health and substance use disorder consultations are provided through Teladoc. These services are not administered by Blue Shield's Mental Health Service Administrator (MHSA).

"Allowable Amount" is defined in the EOC. In addition:

• Coinsurance is calculated from the Allowable Amount.

#### 4 Using Non-Participating Providers:

<u>Non-Participating Providers do not have a contract to provide health care services to Members.</u> When you receive Covered Services from a Non-Participating Provider, you are responsible for:

- the Copayment or Coinsurance (once any Calendar Year Deductible has been met), and
- any charges above the Allowable Amount.

"Allowable Amount" is defined in the EOC. In addition:

- Coinsurance is calculated from the Allowable Amount, which is subject to any stated Benefit maximum.
- Charges above the Allowable Amount do not count towards the Out-of-Pocket Maximum, and are your responsibility for payment to the provider. This out-of-pocket expense can be significant.

#### 5 Calendar Year Out-of-Pocket Maximum (OOPM):

<u>Calendar Year Out-of-Pocket Maximum explained.</u> The Out-of-Pocket Maximum is the most you are required to pay for Covered Services in a Calendar Year. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowable Amount for Covered Services for the rest of the Calendar Year.

<u>Your payment after you reach the Calendar Year OOPM.</u> You will continue to pay all charges for services that are not covered and charges above the Allowable Amount.

<u>Any Deductibles count towards the OOPM.</u> Any amounts you pay that count towards the medical Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

This Plan has a Participating Provider OOPM as well as a combined Participating Provider and Non-Participating <u>Provider OOPM</u>. This means that any amounts you pay towards your Participating Provider OOPM also count towards your combined Participating and Non-Participating Provider OOPM.

#### **Notes**

<u>Family coverage has an individual OOPM within the Family OOPM.</u> This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

#### 6 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit payment in addition to an allergy serum payment when you visit the doctor for an allergy shot.

#### 7 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

Plans may be modified to ensure compliance with State and Federal requirements.
