You agree to use your best efforts to ensure that each application including, but not limited to, applicable eligibility verifications and attestations, is fully and truthfully completed by the applicant, and the application fully and accurately discloses the circumstances, including relationship to applicant, of persons for whom coverage is sought.

This Section 1.4 applies to all Contracts for which you are the Producer of Record as of the date the application is submitted to Blue Shield.

1.5 Licenses

You represent and warrant that you hold a current license in good standing from the California Department of Insurance as an insurance agent to transact all applicable lines of insurance and will provide proof of such license(s) to Blue Shield upon request. You agree to notify us promptly if the California Department of Insurance, or other entity or governmental body with legal or regulatory authority over you or Blue Shield, institutes any disciplinary proceedings against you or your license(s).

1.6 Training, certifications, and appointments

- a. For Individual and Family Plans and Covered California for Small Business (CCSB) plans inside the California health benefit exchange ("Covered California"): You acknowledge that commissions cannot be paid to producers that are not certified by Covered California. You represent and warrant that you maintain active certification.
- b. For Medicare Advantage and Prescription Drug plans ("Blue Shield Medicare Plans"): You agree that you and your associates shall complete required training regarding Medicare and Blue Shield Medicare products and pass an approved test by at least a score of 85 (or the minimum level required by Centers for Medicare and Medicaid Services (CMS)) on an annual basis.
- c. You further acknowledge and agree that you and your associates shall not be qualified to market or sell Blue Shield Medicare products until successful completion of such annual training and testing.
- d. You further acknowledge and agree that Blue Shield cannot pay commissions to brokers that have not received training and certification required by Centers for Medicare and Medicaid Services (CMS) prior to the date of the sale.
- e. You acknowledge and agree that Blue Shield Life shall appoint you as an agent of Blue Shield Life, in accordance with the requirements of the California Insurance Code.

1.7 Independent contractor relationship

You acknowledge and agree that, in soliciting applications for and servicing Contracts, you are an independent contractor. No employer-employee relationship, employee rights, or employee benefits are created by or included in this Agreement.

1.8 Law

You agree to comply with all applicable provisions of the California Insurance Code; the Knox-Keene Health Care Service Plan Act of 1975 (California Health and Safety Code section 1340, et seq.); the federal Patient Protection and Affordable Care Act (ACA) of 2010, all applicable regulations and rules adopted thereunder; the federal Health Insurance Portability and Accountability Act of 1996 and the Health Information Technology for Economic and Clinical Health (HITECH) Act, as amended, and their implementing regulations (collectively referred to as "HIPAA"); all applicable Medicare laws, regulations and guidance, including: (i) all relevant provisions of the Social Security Act, including but not limited to, Part C and Part D of Title XVIII; (ii) all rules and regulations promulgated pursuant to the relevant provisions of the Social Security Act, including but not limited to those set forth in 42 C.F.R. SPAM) Act of 2003; and all other applicable state, federal and local laws and regulations each as may be amended from time to time, in carrying out this Agreement. You agree to file the reports required by law and pay any taxes or fees that may be charged on commissions and bonuses paid to you by Blue Shield. This Section 1.8 shall survive termination of this Agreement for any reason.

1.9 Equal sales opportunity

You agree:

- a. Not to discriminate against Blue Shield when soliciting or offering other plans or coverage of a similar nature. You will use your best efforts to solicit and submit applications for Blue Shield Contracts from qualified clients whenever possible; and
- b. Not to encourage or direct an individual to refrain from filing an application for individual coverage with Blue Shield, or to seek individual coverage from another plan, insurer, or Covered California, because of health status, claims experience, industry, occupation, or geographic location, provided the location is within Blue Shield's approved service area for that individual; and
- c. Not to encourage or direct a small business employer to refrain from filing an application for coverage with Blue Shield, or to seek coverage from another plan or insurer because of health status, claims experience, industry, occupation, or geographic location, provided the location is within Blue Shield's approved service area for that small business employer or its employees; and
- d. Not to employ marketing practices or benefit designs that will have the effect of discouraging enrollment of individuals with significant health needs or discriminate based on race, color, national origin, disability, age, sex, gender, sexual orientation, expected length of life, degree of medical dependency, quality of life, or other health conditions.

1.10 Services

You agree to perform the following services, as appropriate, when a client meets Blue Shield's respective underwriting guidelines, eligibility requirements and/or CMS enrollment requirement guidelines:

- a. Contact the client and fully and fairly explain all applicable Blue Shield Contracts;
- b. If the client is interested, you will have the client complete a Blue Shield Contract application, including applicable verifications and attestations, and will explain to the client that submitting an application does not bind Blue Shield, and that only we may approve the application and issue a contract to the applicant;
- c. Provide the client with the appropriate disclosures and rate proposal(s), clearly explaining that only Blue Shield can negotiate changes in rates, terms, or conditions of coverage;
- d. For Blue Shield Medicare Plans: provide appropriate enrollment timelines, Scope of Appointment, and plan disclosures. - j. For Blue Shield Medicare Plans: Beginning October 1, 2024 for contract year 2025, Producer agrees that beneficiary data collected by Producer for marketing or enrolling beneficiaries into Blue Shield Medicare Plan may only be shared with another Third-Party Marketing Organization (TPMO) when prior express written consent is given by the beneficiary. Producer further agrees that prior

express written consent from the beneficiary to share the data and be contacted for marketing or enrollment purposes must be obtained through a clear and conspicuous disclosure that lists each entity receiving the data and allows the beneficiary to consent or reject to the sharing of their data with each individual TPMO.

1.11 Dues and premium checks

- a. For all Contracts, except for CCSB Transactions: You agree that you and your associates are prohibited from receiving funds on our behalf, with the exception that you may receive funds in the form of checks payable to us if you forward the check to us no later than the close of business of the next business day. Commingling of funds is absolutely prohibited. If you receive funds on our

- b. Books and records include, but are not limited to, records of all transactions regarding applications for Contracts, audio recordings of sales calls, contracts, documents, and computer or other electronic systems relating to your performance of services pursuant to this Agreement. - c. You agree to preserve these books and records, including all applications, for the longer of ten (10) years or the term of the Contract holder's coverage, keeping on file the most recent two (2) years' books of account and records in an easily accessible place at your offices. After two (2) years, these books of account and other records may be warehoused, stored, or microfilmed as long as they are available to the California Department of Managed Health Care, the California Department of Insurance and/or Blue Shield within five (5) days after they are requested.
- d. You acknowledge that unless you are a non-resident of California, these books of account and other records may not be removed from California without the consent of the California Department of Managed Health Care and/or the California Department of Insurance and/or Blue Shield. Non-residents of California agree to produce these books of account and other records immediately upon request.

- f. You shall permit HHS, California Department of Insurance, California Department of Managed Health Care, Covered California or any other entity or governmental body that has legal or regulatory authority over Blue Shield or their designees to have the right to inspect, evaluate, and audit the books, records, audio recordings of sales calls, contracts, documents, and computer or other electronic systems relating to your performance of services pursuant to this Agreement, and otherwise cooperate with, assist, and provide information as requested to the aforementioned entities. You agree to produce and provide such records to Blue Shield to provide to the aforementioned entities or their designees upon their request.
- g. This Section 1.12 shall survive termination of this Agreement for any reason.

- f. You agree to abide by the Centers for Medicare and Medicaid Services (CMS) Medicare Communications and Marketing Guidelines.
- g. You may not permit Blue Shield advertising to be used for any other purpose, or by any person other than you.
- h. Except as permitted by this Agreement, you may not state or imply that you are owned, controlled by, or otherwise affiliated with Blue Shield. You acknowledge and agree that any advertisement materials referencing Blue Shield, as well as any other tangible forms of Blue Shield's advertising and marketing materials, remain the sole property of Blue Shield, and may only be used as authorized by us. You agree to return such forms and materials immediately to Blue Shield upon our request.
- i. You agree that you shall not use Blue Shield's name, logo, service marks, domain names, symbols, or any other name or mark of Blue Shield without our written consent, other than in providing the services under this Agreement. You may not use Blue Shield as a reference or this Agreement as an endorsement of your work without our written consent. The parties will cooperate to create any and all appropriate public, promotional announcements or press releases relating to the relationship set forth in this Agreement. Neither party shall make any public announcement regarding the existence or content of this Agreement without the other party's prior written approval and consent.
- j. You agree to disclose to Blue Shield any subcontracted relationships used for marketing, lead generation, and enrollment.

1.14 E&O liability insurance

This insurance must specifically cover your activities under this Agreement. You agree to submit proof of your E&O liability insurance coverage to Blue Shield upon execution of this Agreement, upon any change in your E&O carrier, upon any change to your current insurance policy and upon our request thereafter.

You agree to make all reasonable efforts, consistent with the advice of your counsel and the requirements of your E&O liability insurance carrier, to coordinate the defense of all claims in which we are named as a defendant or could possibly be named. - b. For IFP and Small Business, commission payments are net of ACA taxes and fees.
- c. For Blue Shield Medicare Plans, Blue Shield shall pay commissions in accordance with CMS issued compensation guidelines.
- d. Individual and Family plans market (inside and outside Covered California) and for Small Business transactions outside Covered California: We shall pay to you first-year commissions ("Initial Commissions") and thereafter, renewal-year commissions ("Renewal Commissions") for Contracts received and allocated by Blue Shield and subject to the applicable commission payment pursuant to the Commissions Schedule in place at time of original effective date of Contracts. - e. The Commissions Schedule available on the online portal available to contracted producers ("Producer Connection") at **blueshieldca.com/producer** is applicable to Contracts entered into on and after the effective date of this Agreement. Blue Shield will provide you with an updated Commissions Schedule 45 days prior to the effective date of the change by posting such changes to Producer Connection. Changes we make to the Commissions Schedule will only apply to Contracts with effective dates of coverage falling on or after the date the Commissions Schedule was amended.
- f. For CCSB transactions: You acknowledge that CCSB will be responsible for collection of premiums and payment of commissions.
- g. For Blue Shield Medicare Plans:
 - i. Initial year Commission: An initial year commission is available only when CMS reports and Medicare Laws and Regulations indicate that an initial year commission is payable. Commission payments shall be made in the month following the date in which the completed

application is received and approved.

- ii. Renewal Commissions: For each enrollment in year 2 and beyond, Blue Shield of California will pay the published MAPD renewal year commission for the current year unless CMS provides data indicating the rate should be an initial year (cycle year 1) commission. Depending upon the month of enrollment, the renewal rate is pro-rated.
- h. Notwithstanding the notice requirements of Section 2.1(e) and Section 4.10, Blue Shield will annually publish the Commissions Schedule that will be in effect for the following year on or before December 31st each year.

You acknowledge and agree that we have the right to offset any commissions to which you are entitled to by the amount of any funds under your control, which belong to us, or by the amount of any other debt(s) you owe us. You grant us a lien on all commissions due under this Agreement to secure all funds under your control, which belong to us, or to secure any other debt(s) you owe us.
- b. Commissions will be paid pursuant to the terms and conditions of this Agreement, and our policies and procedures relating to such commissions. We will be under no obligation to reimburse you for other costs, fees, including application fees, or expenses unless expressly approved by us in advance, in writing.
- c. We may, in our sole discretion, designate an agent to process and issue your commission payments on our behalf. Such designation may be revoked or changed by us from time to time. We will give you at least thirty (30) days' prior written notice of any such change.
- d. Producer must notify Blue Shield pursuant to Section 4.9 of any disputes regarding compensation under this Agreement within ninety (90) days of the bill period in dispute. Blue Shield shall have no obligation to review disputes regarding commissions or other compensation or to pay any additional amounts if Producer notifies Blue Shield of such matters more than ninety (90) days after the date of the bill period in dispute.

- b. For all other business, including Individual and Family Plans transactions outside of Covered California: You shall advise any Contract holders that any change in the "Producer of Record" designation must be made in writing using either the Blue Shield "Producer of Record Change" form or by providing Blue Shield with a written request on the Contract holder's letterhead signed by the Contract holder's authorized representative, which identifies the name, address and, if known, tax identification number of the new Producer of Record. Upon receiving the written request, we will notify the Contract holder's current producer. For all Contract holders, Blue Shield will honor the Contract holder's written request on the first day of the month following Blue Shield's receipt of the request, or the first day of the bill period if this is not the first of the month, unless a future date is specified in the request. The new producer will be the Contract holder's designated Producer of Record.
- c. For all Contracts:
 - i. Blue Shield may not change the Producer of Record or pay commissions to any individual other than the Producer of Record except to the extent allowable under the laws set forth in Section 1.8.
 - ii. Commission payments to the new Producer of Record shall begin on the first day of the month following Blue Shield's receipt of the request, or the first day of the bill period if this is not the first of the month, unless a future date is specified in the request or unless the subscriber, member, or group has prepaid premium and commissions have been paid to the previous Producer of Record. In the latter instance, the commissions will be paid to the new Producer of Record on the next billing period.

- d. For Markets inside Covered California: You acknowledge that for consumers and small group employers that have enrolled through Covered California and CCSB, Covered California and CCSB will be responsible for Producer of Record information and changes. The information is maintained by Blue Shield; however, Blue Shield is not responsible for the accuracy of the information.
- e. For Blue Shield Medicare Plans: Notwithstanding any contrary provisions of the Agreement, Blue Shield may not change the Producer of Record or pay commissions to any individual other than the Producer of Record, except to the extent allowable under Medicare Laws and Regulations.
- f. Commission Payments
 - i. Individual and Family Plans: Notwithstanding Section 2.1, and for IFP Contracts only, if Blue Shield receives a request to change the Producer of Record, Blue Shield will pay the new Producer of Record (the "Servicing Producer") Renewal Commissions as outlined in Section 2.1. The new Servicing Producer will be the IFP Contract holder's designated Producer of Record with all the other rights and obligations thereunder.
 - ii. Medicare Supplement plans: Notwithstanding Section 2.1, and for Medicare Supplement Contracts only, if Blue Shield receives a request to change the Producer of Record during the first year of a Contract, Blue Shield will continue to pay the Initial Commission to the Producer who solicited and submitted the application to Blue Shield (the "Writing Producer") for the duration of the first year of the Contract. Thereafter (and for written requests to change the Producer of Record received after the Contract's first year), Blue Shield will pay the Writing Producer 70% of the Renewal Commission that the Producer would have been entitled to if the Writing Producer remained the Producer of Record. Blue Shield will pay the new Producer of Record (the "Servicing Producer") the remaining 30% of the Renewal Commission. The new Servicing Producer will be the Medicare Supplement plan's Contract holder's designated Producer of Record with all the other rights and obligations thereunder.

2.4 [Reserved]

2.5 Commission assignment rights

- a. You may assign your right to commissions under this Agreement to another Blue Shield Producer (Assignee) subject to our prior written consent, which consent will not be unreasonably withheld. You shall provide at least thirty (30) days' prior written notice of the assignment. We will pay the Assignee the commissions we would have paid to you absent the assignment of the Contracts.

- c. The Assignee will be the Contract holder's Producer of Record with all the other rights and obligations thereunder.

2.6 Commissions upon retirement; Upon death

Upon retirement, you shall give us written notice of your retirement date and the effective date of such termination shall be the date of retirement set forth in your notice of retirement to Blue Shield. Blue Shield shall pay you 100% of Renewal Commission if you continue to fulfill your obligations under Sections 1.5 (Licenses) and 1.14 (E&O liability insurance) and continue to serve as the Producer of Record pursuant to Section 2.3, even though you are retired. If you fail to maintain your license, Blue Shield will assume the service of your book of business and will pay 70% renewal commission.
- b. Commissions upon death: If you die and your "book" of Contracts passes to a beneficiary, your beneficiary must notify us in writing, including documentation verifying that they are your beneficiary. If your beneficiary is a licensed and appointed Blue Shield producer, we will pay that producer as if you had assigned your "book" of Contracts to him or her. If not, we will pay your beneficiary 70% of the Renewal Commission. You acknowledge and agree, and upon designation of your beneficiary, shall ensure that your beneficiary acknowledges and agrees, that: (1) your beneficiary may not subsequently sell, assign, or otherwise transfer any rights to commissions upon

your death; and (2) any right to such commissions, and our obligation to pay such commissions upon your death, will immediately and automatically terminate upon the death of your beneficiary.

- c. This Section 2.6 does not apply to Contracts written for employer groups and Blue Shield Medicare Plans.

- f. You do anything that would have been a breach of this Agreement during the term of this Agreement.
- g. Terminations for cause pursuant to Section 3.3.

In addition, you acknowledge and agree that in the event of any of the foregoing, we may immediately terminate this Agreement.

2.8 Blue Shield's authority and rights regarding contracts

You agree that Blue Shield retains all rights and obligations contained within the Blue Shield Contracts issued to your clients, and that you will take no action that interferes with or limits those rights and obligations. You acknowledge and agree that only Blue Shield and, as applicable, Covered California and CCSB, has the authority to:
