\* The principal business address means the principal business address registered with the Secretary of the State of California. If a principal business address is not registered with the State or is registered solely for purposes of service of process and is not a substantial worksite for the group's business, then provide the business address within the State where the greatest number of employees work.

### 1B Group size and out-of-state employees

Use the method for counting full-time employees (FTE) and FTE Equivalents described in Section 4980H(c)(2) of the Internal Revenue Code to determine if the group is a "small employer" under the Small Group Act. A group must employ 1-100 total FTEs, including FTE equivalents (not including sole proprietors, partners of a partnership, their spouses, legal domestic partners, or 2% S-Corporation shareholders) to be eligible for a small group health plan at issuance and renewal, in addition to meeting any applicable underwriting criteria such as contribution and participation requirements.

In California, the full-time and full-time equivalent employee definition and count is used to determine the size of the group and whether the majority of employees are employed in California. It differs from the "eligible employee" definition and count, which is primarily used to determine which employees are eligible to enroll in coverage and whether the group is meeting the participation requirement.

### To calculate the number of FTEs and FTE equivalents:

- FTE: an FTE is an employee who has on average at least 30 hours of service per week, or at least 130 hours of service total, during a calendar month.
- **FTE equivalent**: this calculation is to account for employees who average fewer than 30 hours of service per week, who, in combination, are counted as the equivalent of a full-time employee.
- FTE equivalent employee calculation: combine the number of hours of service of all non-full-time employees for the month (do not include more than 120 hours of service per employee). Divide the total number by 120. If the result is a fraction, round down.

🗌 Yes 🗌 No	If yes, are you canceling this leasing arrangement and hiring employees?
🗌 Yes 🗌 No	Is the group a spinoff?*
🗌 Yes 🗌 No	Is the group a startup? <sup>†</sup>

\* Spinoff Group – a newly formed business in which a majority of the employees of the new business have left an established business ("former business") which had been offering Blue Shield coverage to its employees. At least 50% of the employees in the spinoff group must have been enrolled in Blue Shield through the former business. The new group must not have shared ownership with the former business. Contact your sales representative for more information.

<sup>+</sup> Startup Group - has been in business and has employed at least one eligible common-law employee for less than six weeks and otherwise meets all small employer requirements.

# 5 Employer orientation and waiting periods

An employer may impose a bona fide employment-based orientation (affiliation) period for new employees which cannot exceed 30 days. If the employer imposes an orientation period when completing an enrollment form for a new employee, the "date of hire" is the first day after completion of the orientation period.

A waiting period may also be imposed before coverage becomes effective, beginning the first day after any orientation period, and not to exceed 90 days.

**Choose one of the following options.** Coverage for eligible employees will become effective following completion of the waiting period on the day specified.

		Effective first of the month following date of hire (if hired on the first of the month, coverage will be effective the first of the following month)
		Effective first of the month following 30 days from date of hire
		Effective first of the month following 60 days from date of hire
		Effective on the 91st day following date of hire (a group may be partially billed when electing the 91st day waiting period)
🗌 Yes	🗌 No	Does the group intend to offer coverage to employees currently in the employer waiting period for the original effective date of the group contract (i.e., one-time waiver of employer waiting period)?

#### 6 Notices and electronic distribution of materials

- Summary of Benefits and Coverage (SBC) forms are available for all health plans. These forms summarize coverage and benefits for all plans in a uniform manner. Log in to blueshieldca.com/policies to review SBC forms for any plan prior to submitting an application. Once the group's application for coverage is approved, download the SBC form(s) for benefit plans specific to your group at blueshieldca.com/sbpd to distribute to employees.
- The group is responsible for the prompt distribution of the Evidence of Coverage (EOC) booklets and other required coverage notices ("required materials") to covered employees. Electronic versions of required materials are emailed directly to the group administrator. For printed versions of required materials, please contact us at (800) 559-5905.

Off-Exchange Package	May be offered with another carrier's HMO plan
Mirror	Cannot be offered alongside Off-Exchange plans. Can be offered alongside another carrier's plans.
Package	These plans "mirror" standardized plans offered through Covered California.
