Dear member,

## Welcome to a health plan that puts you at the center.

We look forward to being here for you. This handbook makes it easy to get started, showing you where to find what you need – and tips to get there faster.

Since it's important to understand how your plan works, we've included an overview of the benefits and resources available.

We also walk you through ways you can access care – from office visits to alternatives like telehealth – as well as how to get the medication you need. To learn more about your plan, resources, and covered services, please refer to your *Evidence of Coverage (EOC)*.

Thank you for placing your trust in Blue Shield of California. We put you at the center of everything we do.

To your health,

A handwritten signature in black ink, appearing to read 'Tim Lieb', with a long horizontal stroke extending to the left.

**Tim Lieb**

Senior Vice President, Commercial Markets

# Get started

Now that you are enrolled in a Blue Shield Added Advantage POS<sup>SM</sup> (Point of Service) plan, complete the steps below to take full advantage of everything your plan has to offer.

1

## Create an online account

Create an account online at [blueshieldca.com/register](https://blueshieldca.com/register) or scan the QR code on the back of this handbook with your phone's camera. You'll quickly find your plan information, see important documents, and easily manage your coverage. Download our app and you can take your digital ID card with you wherever you go.

2

## Check your ID card

Your Blue Shield member ID card is your key to care and has important information for you and your providers. Make sure that everything is correct, including your name and plan type.

3

## Find care

It's easy to find a doctor near you anytime at [blueshieldca.com/fad](https://blueshieldca.com/fad). Schedule an appointment with your doctor for a preventive care visit to establish a relationship and keep yourself healthy.

You're ready to start using your Blue Shield of California health plan.

# Get to know your plan

Keep this guide in a convenient place. It has handy information about your Blue Shield Added Advantage POS plan.

**Please note**, this handbook is only intended to be a helpful guide. Your *Evidence of Coverage* describes your healthcare coverage in detail and should be consulted for complete information about your plan, including resources, covered services, and how to file a complaint, grievance, or appeal.

# How to access care

**Helping you get the care you need, when you need it.**

Your Added Advantage POS plan lets you choose to receive care from:

- Level I: An HMO participating provider
- Level II: A PPO participating provider
- Level III: A PPO non-participating provider

Your plan covers preventive care, such as routine checkups and immunizations, at no extra charge only when you go to an HMO participating provider. Preventive care is not covered when you go to a PPO participating provider or PPO non-participating provider. See your *Evidence of Coverage* for more information.

## Find a doctor

Locate and learn about doctors, specialists, hospitals, pharmacies, and other healthcare providers anytime online at **[blueshieldca.com/fad](https://blueshieldca.com/fad)**.

# Your Added Advantage POS plan at a glance

Your Added Advantage POS plan combines the cost advantages of an HMO plan with the flexibility of a PPO plan.

## HMO option (Level I)

- Maximized benefits with coverage for more services
- Predictable out-of-pocket costs
- No copayments for covered preventive care and no claims forms
- Access to providers from our HMO network

## PPO option (Level II & Level III)

- Access to providers in our Full PPO Network of more than 100,000 doctors and 380 hospitals
- Choice of participating (PPO network) and non-participating (non-network) providers

When you choose a participating provider (Level II):

- You pay for most services until you've met your calendar-year deductible
- Then, you pay a fixed copayment or copayment percentage

When you choose a non-participating provider (Level III):

- You pay for services until you've met your deductible
- Then, you pay your fixed percentage of Blue Shield's allowable amount, plus any charges above the allowable amount

Some services will not be covered unless you receive them from a participating provider. See your *Evidence of Coverage* to find out which covered services must be received from a participating provider.

## Prior authorization

Sometimes your doctor may recommend a medication or treatment that requires prior authorization. This means Blue Shield must give approval for a drug or medical care to be covered by your plan. For more information, please call the Member Services number on your Blue Shield member ID card or see your *Evidence of Coverage*.

# Timely access to care

Your Blue Shield health plan offers you many ways to get the care you need, when you need it.

## Your primary care physician (PCP)

The best place to start when you need care is your PCP, your main healthcare provider for routine medical needs. Your PCP benefits are available under Level I.

**Visit [blueshieldca.com/fad](https://blueshieldca.com/fad)**

## Preventive care

Get the screenings and immunizations recommended by healthcare professionals.

**Visit [blueshieldca.com/preventive](https://blueshieldca.com/preventive)**

## Emergency care

Call 911 if you experience a life-threatening medical emergency. Notify Blue Shield within 48 hours about your emergency so that we can be involved in your care.

**Call 911 or go immediately to the nearest emergency room.**

## Urgent care

Go to an urgent care center if your doctor is not available or it's after hours, and the situation is not life-threatening.

**Visit [blueshieldca.com/fad](https://blueshieldca.com/fad)**

## Teladoc

General medical doctors are available 24/7 by phone or video to treat non-emergency issues and prescribe medication as needed. Mental health providers are available by appointment, 7 a.m. to 9 p.m., seven days a week, to treat many mental health conditions. Teladoc mental health consultations are not available for members under age 13.

**Visit [blueshieldca.com/teladoc](https://blueshieldca.com/teladoc) | Call (800) 835-2362 (TTY: 711)**

## MinuteClinic®

Convenient for coughs, infections, flu, immunizations, and they're usually open seven days a week.

**Visit [blueshieldca.com/fad](https://blueshieldca.com/fad)**

### NurseHelp 24/7

With NurseHelp 24/7<sup>SM</sup>, you can connect with a registered nurse who will listen and offer you immediate, reliable information about treating minor illnesses and injuries or help you choose the most appropriate level of care for treatment<sup>1</sup>.

**Chat online at [blueshieldca.com/nursehelp](https://blueshieldca.com/nursehelp) or call (877) 304-0504 (TTY: 711) at no extra cost. 24 hours a day, seven days a week.**

### Home infusion and injectable medication services

If you are on an infusion medication that requires a healthcare provider to administer, you may be able to receive your infusion at home. Talk to your doctor to see if home infusion is right for you.

**Visit [blueshieldca.com/fad](https://blueshieldca.com/fad) | Call (877) 263-9952**

### Mental health and substance use disorder services

Make appointments for mental health and substance use disorder services, in person or virtually. See the *Mental Health Services Administrator (Benefit Administrator)* section of your *Evidence of Coverage* for more information.

**Visit [blueshieldca.com/fad](https://blueshieldca.com/fad) | Call (877) 263-9952**

### Care outside of California

You have access to services covered by your plan while traveling outside of California through the BlueCard<sup>®</sup> Program. Level II benefits will be provided for services received from a participating provider outside of California, but within the United States, Puerto Rico, or the U.S. Virgin Islands. Emergency services will be covered under Level I of your plan..

If you are outside of the United States, Puerto Rico, or the U.S Virgin Islands, you may be able to take advantage of the Blue Shield Global Core program. In an emergency, go directly to the nearest hospital. Emergency services will be covered under Level I of your plan. See page 4 of this booklet for further explanation of Level I and Level II benefits.

**Visit [provider.bcbs.com](https://provider.bcbs.com) or [bcbsglobalcore.com](https://bcbsglobalcore.com) to find a provider outside of California. In the US, call (800) 810-BLUE (2583). When you are overseas, call collect (804) 673-1177.**

# Pharmacy

There are three ways you can check to see if your plan offers pharmacy benefits:

- 1:** Go to [blueshieldca.com/login](https://blueshieldca.com/login). Select *Benefits* and then *Pharmacy* to view your pharmacy benefits.
- 2:** Call the Member Services number on your Blue Shield member ID card.
- 3:** Check your *Evidence of Coverage* or Rider.

## Get a prescription

These simple steps will help you make the most of your prescription drug benefits, know your costs, and understand your options:

### 1. Check our formulary

The formulary lists prescription drugs that are covered by your plan. To see our formulary online, go to [blueshieldca.com/pharmacy](https://blueshieldca.com/pharmacy) and select *Drug formularies* to:

- Search for drugs and find out if they are included in our formulary.
- See the drug tier placement for your drugs.
- Find generic alternatives for brand-name drugs (where available).
- Review coverage restrictions or prior authorization requirements.

### 2. Get prior authorization, if needed

Sometimes your doctor may recommend a medication or treatment that requires prior authorization. This means Blue Shield must give approval for a drug or medical care to be covered by your plan. For more information, please call the Member Services number on your ID card or see your *Evidence of Coverage*.

### 3. Consider a generic alternative

Choosing generic drugs may lower your medical costs. Generic drugs typically have a lower copayment than brand-name drugs. Talk to your doctor or pharmacist to learn more about generic drugs or visit the *Drug formularies* section at [blueshieldca.com/pharmacy](https://blueshieldca.com/pharmacy).

### Fill a prescription

Although you can fill your prescription at any pharmacy, choosing one in your plan's network may save you money, time, and paperwork.

#### At a network pharmacy

Choose from more than 5,800 pharmacies in California and 68,000 pharmacies nationally, including major retail chains. To find a local network retail, mail service, or specialty pharmacy, go to [blueshieldca.com/pharmacy](https://blueshieldca.com/pharmacy) and select *Pharmacy networks*. You can also call the Member Services number on your Blue Shield member ID card.

#### At a non-network pharmacy

If you fill a prescription outside of our pharmacy network, you may be eligible for a reimbursement. Follow these steps:

1. Pay the pharmacy for the entire cost of the prescription.
2. Submit a completed direct reimbursement claim form for review within one year of fill date. Call Member Services for help with submitting a request for direct reimbursement.

### Network specialty pharmacy

Some drugs require special preparation, handling, or manufacturing. These specialty drugs<sup>2</sup> are available through CVS Specialty<sup>®</sup>, our network specialty pharmacy. Specialty drugs may be self-administered by injection, inhalation, orally, or topically.

**Visit [cvsspecialty.com](https://cvsspecialty.com) | Call (800) 237-2767**

### Mail service prescriptions

Your plan's mail service drug benefit through CVS Caremark<sup>®</sup> Mail Service Pharmacy offers you the convenience of receiving up to a 90-day<sup>3</sup> supply of covered maintenance drugs, delivered to your home or office, with no charge for shipping. Maintenance drugs are medications for chronic conditions.

**Visit [blueshieldca.com/mailpharmacy](https://blueshieldca.com/mailpharmacy) | Call (866) 346-7200 (TTY: 711)**
