**HMO Platinum POS Plan** 

**Coverage Period: 7/27/2024 – 7/26/2025** 

Coverage for: Individual + Family | Plan Type: POS

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>bsca.com/policies/</u> or call 1-855-599-2657. For general definitions of common terms, such as <u>allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined</u> terms see the Glossary. You can view the Glossary at healthcare.gov/sbc-glossary or call 1-866-444-3272 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	<ul> <li>\$0 per individual for HMO participating providers (Level I).</li> <li>\$0 per family for participating providers (Level II).</li> </ul>	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> and services listed in your complete terms of coverage.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>healthcare.gov/coverage/preventive-care-benefits</u> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$1,500 per individual / \$3,000 per family for HMO participating providers (Level I).  \$8,000 per individual / \$16,000 per family participating providers (Level II).	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit?</u>	<u>Copayments</u> for certain services, <u>premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>blueshieldca.com/fad</u> or call <b>1-855-599-2657</b> for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
