- III. Blue Shield Promise shall provide all medically necessary covered services to the member until disenrollment is effective.

- IV. For Former Developmental Center Members, the approved disenrollment request will become effective the first day of the fourth month following the month of the Former Development Center Member's admission to the facility, provided the disenrollment request is submitted at least 30 calendar days prior to the first day of the third month of stay. If the disenrollment request is submitted less than 30 calendar days prior to that date, disenrollment shall be effective the first day of the month that begins at least 30 calendar days after the submission of disenrollment request.
- V. Prior to the disenrollment effective date, Blue Shield Promise shall notify the member and his or her guardian of the disenrollment; shall ensure appropriate transfer of medical records; shall assure that continuity of care is not interrupted; and shall complete all administrative work necessary to assure a smooth transfer of responsibility for the health care of Former Developmental Center Members.
- VI. Admission to a nursing facility of a member who has elected hospice services does not affect the member's eligibility for enrollment. Hospice services are covered services and are not long-term care services regardless of the Member's expected or actual length of stay in a nursing facility.
