New Standard Request New Urgent Request Standing Referral						
Important For Urgent Requests: Scheduling issues do not meet the definition of an urgent request. The definition of an urgent request is an imminent and serious threat to the health of the enrollee; including but not limited to, severe pain, potential loss of life, limb or major bodily function and a delay in decision-making might seriously jeopardize the life or health of the enrollee. <i>If there is no MD signature present the request will be processed as a Standard request.</i>
